Dividers and Custom Indexes

Chart Divider Sheets

8½" x 11"

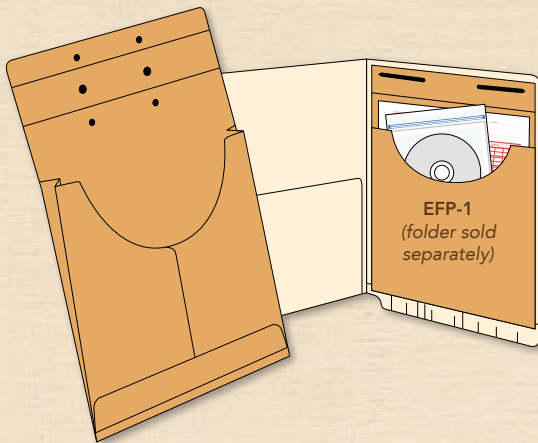

Divider sheets are perfect for organizing files and separating them into sections. 110lb White or Manila index stock, two- and three-hole punched for top and side fastener or binder use. Preprinted guidelines for accurate label and/or chart tab application.

Expanding Fileback Pocket

40lb Kraft Pocket

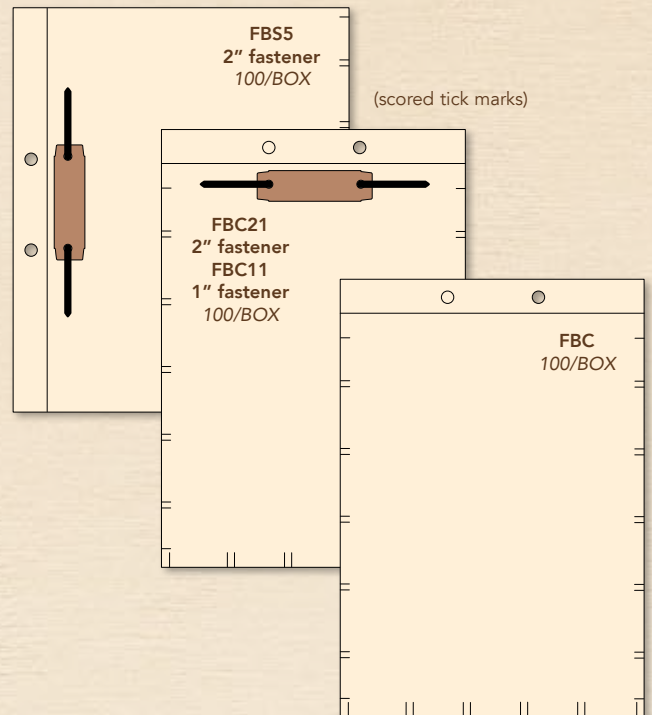

9½" deep pocket closed on three sides, ¾" expansion. 100/BOX

Fileback Dividers

- Add or remove sheets without tearing apart files
- Choose end or side fastener dividers
- Sturdy 11pt Manila stock

Get immediate access to each section of your files without removing top sheets. Just fold on the score line to form the flap, and slip the divider over an existing fastener in the folder. The next divider is attached to the fastener on the first divider, and so on.

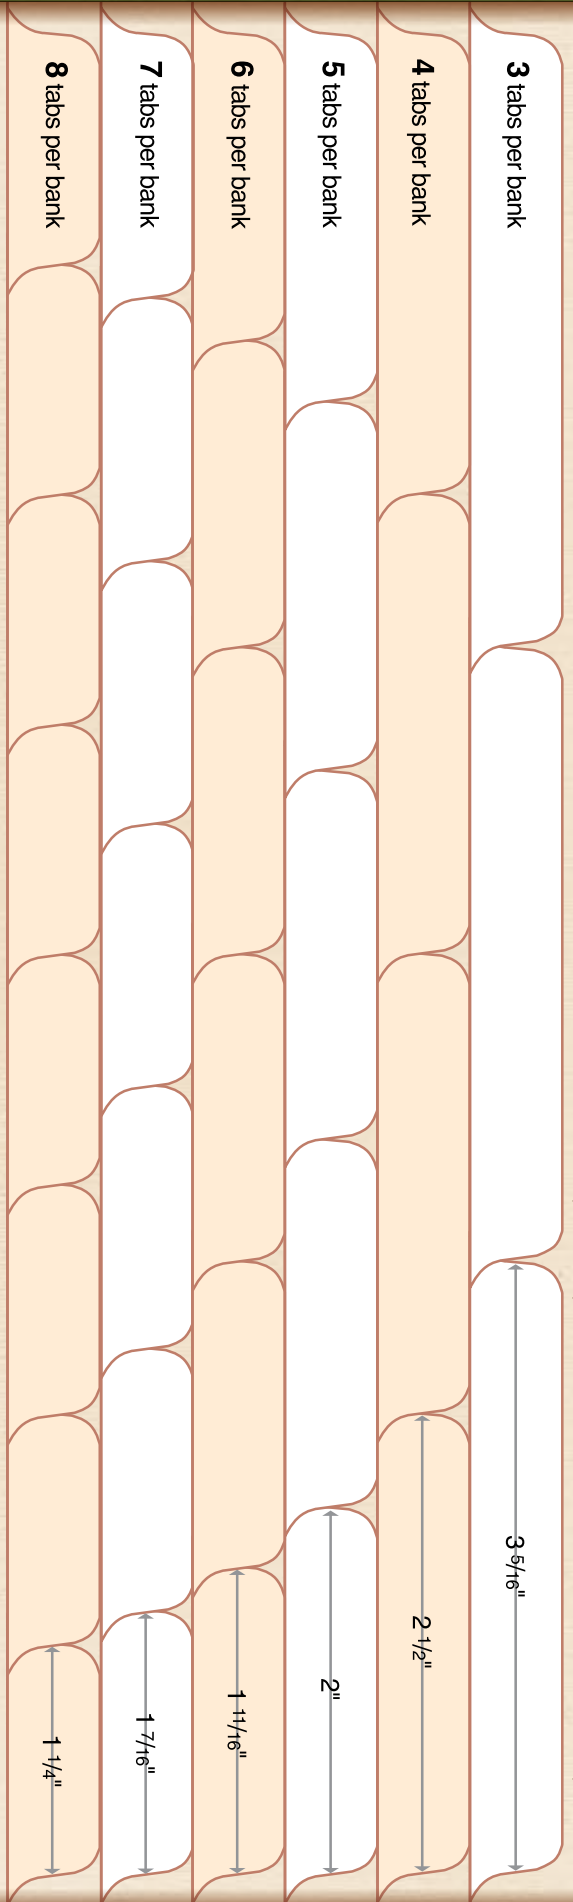

Writable Divider Tabs

1¼" x 1½" before folding

Self-adhesive, laminated tabs with color-coded edges help organize information in files for fast identification. 100/PACK

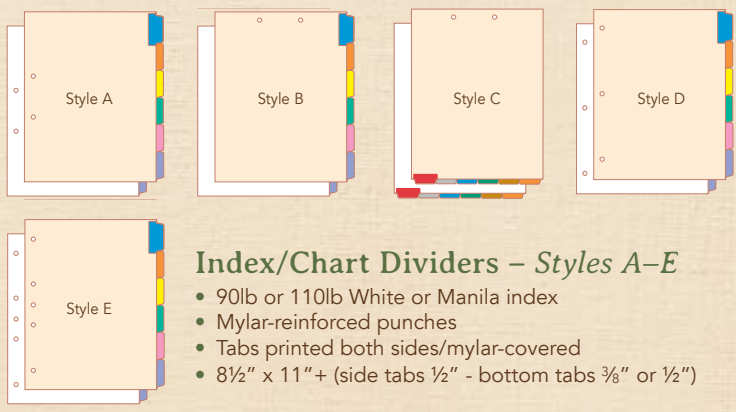

Position 1 starts at the top. Tabs are pictured actual size. Bottom tabs also available (3-7 tabs per bank).

custom indexes... Easy Ordering Steps

- 1 Choose the style of Chart Divider and Paper Color
 - Index Style A–E
 - Stock Color
 - Fileback Style I–III
 - Self-Adhesive Fileback Style (SA)
- 2 Specify tab cut size. See charts at left and below. Plan ahead! Consider leaving an empty position for future use.
- 3 Specify each tab title (text), position, and color. Side tab styles start at the top, and bottom tab styles start at the left.
- 4 Specify packaging:
 - Collated - Titles boxed together in sets (Filebacks are not attached to each other)
 - Not Collated - Titles boxed individually

Index/Chart Dividers – Styles A–E

- 90lb or 110lb White or Manila index
- Mylar-reinforced punches
- Tabs printed both sides/mylar-covered
- 8½" x 11"+ (side tabs ½" - bottom tabs ¾" or ½")

Self-Adhesive Filebacks – Style SA

- 110lb Manila index
- 1" scored hinge with ¾" pressure-sensitive tape
- Two pre-installed 2" bonded fasteners (1 each side)
- Tabs printed both sides with different titles/mylar-covered
- 8½" x 11"+ (side tabs ½")

Flip-Up Hinged Filebacks – Styles I–III

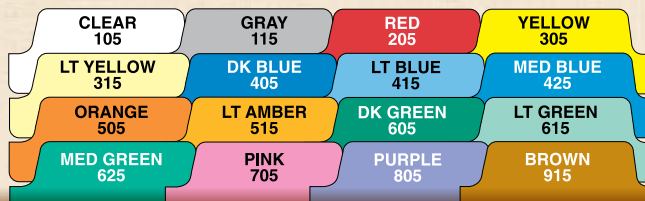

- 110lb Manila index
- 1" scored hinge with mylar-reinforced slits
- One pre-installed 2" bonded fastener
- Tabs printed both sides/mylar-covered
- 8½" x 11"+ (side tabs ½" - bottom tabs ¾" or ½")
- Style I and III also available in 8½" x 14"

General specifications are listed on this page. Contact your local sales representative for other options including: body printing, collating, assembly and installation, heavier paper weights and colors, etc.

16 Standard Mylar Tab Colors

Neon colors are available for an additional charge.

Classification and Presentation Folders

customization... Easy as 1, 2, 3

- 1 Select style and size
(end tab or top tab, letter or legal)
- 2 Choose material (type of pressboard) and color
- 3 Add dividers, fasteners, and more!

Pressboard

Type I: 20pt pulpboard pressed together to create one of the most durable materials in the industry

Type II: 25pt medium-density pressboard great for any application

Type III: 25pt pressboard, an all-purpose economical alternative

Tyvek®

Expansions are created with Tyvek®, which is a strong, virtually tear-proof material. The most common colors are New Brown and Dove Grey, stocked in many popular sizes. Twenty-two additional colors are available upon request when purchased in minimum quantities.

Tyvek® is a trademark or registered trademark of E.I. du Pont de Nemours and Company.

custom presentation folders... **Enhanced Brand Identity**

Your firm will stand out when you display a polished, consistent image with custom presentation solutions. Brand integrity is important, and you will build your presence in the community when you present legal documents to your clients using quality presentation materials. We've got you covered from portfolios to folders, paper colors to foil-stamped printing, plus optional business card diecuts in the pockets.

Paper Choices Include:

black linen	emerald green linen	burgundy linen
natural linen	midnight blue linen	evergreen felt
navy felt	merlot felt	soft white felt

**Call us and ask about more
paper and foil options!**

Binders and Report Covers

Sturdy pressboard binders and report covers available in multiple colors and sizes.

- 2" fastener included
- Tyvek® reinforcement strengthens spine edges
- Choose from all pressboard types (*page 17*)
- Letter or legal
- Side or top binding

Patent and Trademark **Application Folders**

Application Folders

14½" H x 10" W

The tri-fold design of these patent and trademark folders keeps documents organized, secure, and easily accessible throughout the entire trademark process. Our folders are durable and designed to last.

We can customize a folder to match nearly any style or design. Let our experts find the perfect solution to meet your needs.

simplyfile

mailing and filing: simplified

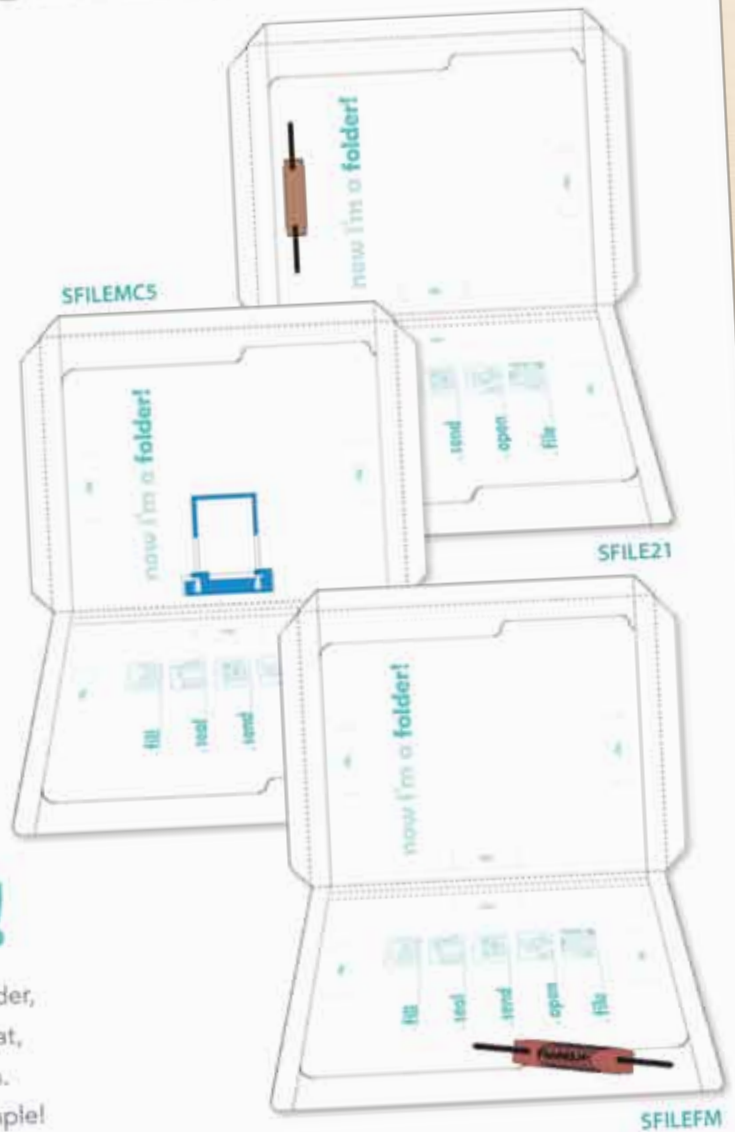

i'm an envelope!

Introducing the all-new Simplyfile! It starts out flat, for the sender to fill with organized information, securely attached to an installed fastener (optional). Then it is folded and sealed, transforming it into an envelope! Once it's delivered...

now i'm a folder!

...the recipient tears along the perforations and files the folder, documents and all. It's two products in one, making it a great, cost-effective way to share and retain important information. The Simplyfile makes sending and receiving documents simple!

ITEM NO.	DESCRIPTION	QTY/ PKG	LB/ PKG
SFILE	9½" H x 11¾" W, ¾" expansion, no fastener included	10	1½
SFILE21	9½" H x 11¾" W, ¾" expansion, bonded 2" fastener in position 1	10	2
SFILEFM	9½" H x 11¾" W, ¾" expansion, 10 loose 2914 Foam Clips included	10	2
SFILEMCS	9½" H x 11¾" W, ¾" expansion, Docu-Clip in position 5	10	2½

Customize it!

Self-Adhesive Sem-Clip (2912)
2" capacity bonded fastener on self-adhesive label backing. Easy to position and apply. 100/PKG

Foam Clip (2914)
1½" capacity foam clip fastener designed for heavy-duty use with an extra-strong adhesive foam backer. 100/BOX

MediClip / DocuClip (2913)
Unique 5" capacity fastener converts any file folder into a loose-leaf ring binder. Flexible 3-piece construction attaches to any type of file folder. 100/BOX

1ABF or 2ABF
Self-adhesive metal fastener with two methods of application, available in 1" or 2" capacity. Insert prongs through die-cut slits from outside of folder for bulky records, or mount inside with adhesive base. Easy-to-use location template included. 100/BOX

2915 (TP1L)
Insert prongs through slits in the divider (like our self-adhesive divider), then fold back one side of the prong to make a secure fastener for both sides. Positioned this way it will have a 1" capacity on one side and ½" on the other. 100/BOX

DigiStrip

The DigiStrip is a USB flash drive fastener attachment that stores all corresponding digital files with the physical records.

- Perfect for presentations, images, or video
- No more lost USB flash drives
- Available in either 2GB or 4GB capacity

Pockets

Self-adhesive. 100/PKG

- 7250S** 5 Mil Poly, 9¼" x 6"
- VP85SA** 6 Mil Vinyl, 9" x 5½"
- LP610SA** Lock-It Poly, 6½" W x 10" H
- LP565A** Lock-It Poly, 5½" W x 6¼" H

Conversion Flaps (CONVFLAP)

Convert standard indexes into fileback dividers. Works with any fastener with 2¾" center-to-center holes. 50/BOX

U-File-M (U-FILE-M)

Make each folder read like a book. Records are affixed to tabs of strip in either ascending or descending order, with either oldest or newest information on the top. 100/BOX

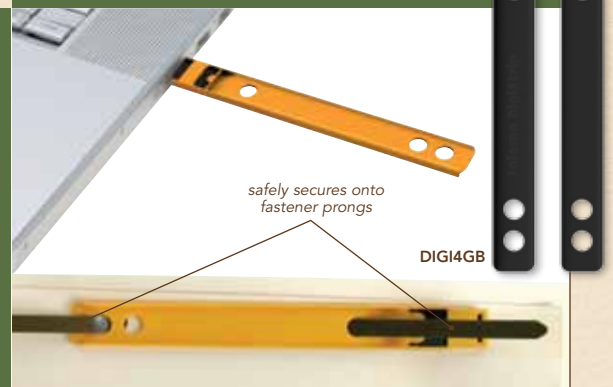

MediStrip (DOCUSET)

Adding a MediStrip saves additional space by doing away with the compressor and allows for easier viewing, insertion or deletion of material. It allows file dividers and pages to turn easily and lie flat, similar to a ring binder. You can easily add and remove pages by separating the extension piece and the tube base. 100/PKG

Reinforcing Strips (7551RS)

Add durability to important documents that are mounted within charts, or repair any ripped 2-hole punches. Pre-punched strips are clear, self-adhesive, 3⅝" W x 1" H. Holes are ¼" diameter and spaced 2¾" apart center-to-center. 500/BOX

Bottom Tab Outguides

Body 9½" x 11⅞", Overall 9½" x 13"

Angle cut pocket and thumb-notched charge-out slip pocket. Double-sided "OUT" tab on bottom.

End Tab Converters

End Tab Converters are quick and economical alternatives to replacing entire file folders. Self-adhesive strips adhere to both the front and back of the folder, or a large panel of adhesive adheres to the back.

Individually packaged 500/color

FASTFIX™

Folder Reinforcer

- ◀ PROTECT
- ◀ REPAIR
- ◀ SEAL
- ◀ STRENGTHEN

2½" H x 10⅝" W applied size

- 1 Dispense 1" of a FASTFIX label.
- 2 Place exposed adhesive onto the center of the folder spine and hold down with one hand.
- 3 Without holding the box, use your other hand to pull the release strip (white paper) straight back. The box will follow and dispense one FASTFIX label.
- 4 Press firmly to secure (based on condition of the folder, a label roller may be required for good adhesion).
